

Otsego Moose Lodge #345 Family Center Rules and Guidelines for Campground

Campgrounds Welcome Information Handout.

Welcome to the Moose Lodge and Campground. If we can help make your stay more pleasant, or you need something please see our campground manager or visit our Lodge.

We have 122 sites with water, power and many rustic sites. Most sites have 30-amp service, with some 50-amp services. Our upgraded 30-amp service will provide all the power you'll need. Please help us conserve power and refrain from running two air units at once.

Campground sites sizes are power pole to power pole. Please remember to include your slide outs, as not to extend onto neighboring site.

"Ask about our trail to the meadows and take a fun walk".

**Campground rates, sites include power and water, unless located in our rustic areas.
